Profile

Recent Statistics graduate (LM-82) from the University of Turin, with strong quantitative skills and practical experience working with real datasets. Completed a research-mobility internship at MaIAGE – INRAE in France. Motivated, adaptable, and driven by continuous learning, open to opportunities in data science, data analysis, data engineering, and related fields.

Education

M.Sc. Statistical and Economic Methods for Decision-Making (LM-82) University of Turin
— Turin, Italy Sep 2022 – Nov 2025 Grade: 105/110

- Thesis Abroad Prize recipient — research project carried out at MaIAGE – INRAE (France)
- Thesis: Sparse Bayesian Infinite Factor Models for NIRS data

B.Sc. Economics and Statistics for Organizations (L-33) University of Turin — Turin, Italy
Sep 2019 – Nov 2022

Experience

Research Collaboration (Post-Thesis) University of Turin / MaIAGE – INRAE Nov 2025 – Present

- Continued contributing to research thesis projects
- Co-author of a short paper on Bayesian factor models applied on NIRS (submitted to SIS 2026)
- [Temporary academic affiliation with the Department of Economics and Statistics “Cognetti De Martiis”](#)

Intern — MaIAGE (INRAE) Jouy-en-Josas, France Jul 2025 – Sep 2025

- Built predictive and interpretable models for NIRS spectroscopy data
- Implemented Bayesian algorithms (sparse infinite factor model) and reproducible analysis pipelines
- Analysed wheat and biscuit-dough NIRS datasets and produced summary reports

Student Collaborator University of Turin — Turin, Italy Mar 2024 – Dec 2024

- Reorganized attendance datasets and built Power BI dashboards

Stock Taker — RGIS Piedmont, Italy Oct 2023 – Feb 2024

Seasonal Grape Harvester — Azienda Agricola Oddone Prati Strevi, Italy Sep 2021

General Porter — Royal National Hotel London, UK Apr 2019 – Jun 2019

Facility and Communications Intern — Energy Wave Alessandria, Italy Nov 2018 – Feb 2019

Skills

Statistics Bayesian statistics, statistical learning, multivariate analysis, latent variable models

Programming R, Python, SQL, SAS, Stata

Data Tools Excel, Power BI, data visualization, data cleaning

Languages Italian (native), English (professional), Spanish (basic), French (basic)

Soft Skills Teamwork, adaptability, problem-solving, resilience, curiosity.

Interests

Data science, applied statistics, music and visual arts, guitar, calisthenics

I authorize the processing of my personal data in accordance with EU Regulation 2016/679 (GDPR).
